About Lents

This historic neighborhood of southeast Portland is a thriving, diverse community. Centered around the intersection of Foster Road and 92nd Avenue, Lents is home to more than 20,000 people enjoying the community's parks, town center and a wildlife refuge. With the Springwater Corridor, the MAX Green Line, Foster Road and Interstate 205, Lents is the crossroads of the eastside.

About the LNA

The Lents Neighborhood Association has been organized to: enhance the livability of the neighborhood and Portland by establishing and maintaining an open line of communication and liaison among the neighborhood, government agencies and other neighborhoods; and provide an open process by which all members of the neighborhood may involve themselves in the affairs of the neighborhood.
